Biography

Allen and Karen Wong have a long history of philanthropy in BC and are particularly passionate about supporting advances in health care that will benefit people in Canada and across the globe. After achieving success with their family-owned Kwong Lee Farms, a mentor encouraged them to give back to the community. They have worked with many local non-profits including Heart & Stroke Foundation, BC Children's Hospital Foundation, BC Cancer Foundation, BC Women's Health Foundation and VGH & UBC Hospital Foundation. Five years ago, they were one of the founding members of Heart & Stroke's Women's Campaign which supported initiatives to raise awareness of the health equities women face, which included establishing the Canadian Women's Heart Health Summit.

Allen and Karen are proud to be selected as Honourary Co-Chairs for this summit as we all work to change the story for women and their families to ensure women in Canada receive equal care.
